Dear Folks

How's things back home? Everything the same here. Recieved a little card from mother yesterday. It sure was swell. How's all the kids behaving. Hope they are all well. Wish I could see them once again as I sure do miss them.

Guess the season is well on it way. Those St. Louis teams are sure going strong. But I think it will be the Yanks again this year. Got a letter from Jimmy O'Connell a few days ago. Sure was happy to hear from him once again. Haven't had much time to write but will try to get of as ~~most~~ many letters as possible.

Hope Jean had a fine time on her furlough. Sure do wish I could have been with her or it. Hope he stays in that good old state as long as possible. Please send some candy if possible along with some underwear & handkerchiefs.

So-Long for now

All my Love
"Dick"
